Sinugo tshifhiwa

Graduate

Innovative Front End Developer building responsive websites. I bring mock-ups to life using HTML, CSS, Bootstrap and JavaScript. I consider myself to be friendly, efficient and enthusiastic worker. I'm looking for job opportunities and i'm willing to relocate within South Africa. I'm available immediately. I pay attention to details, motivated to learn, grow, and adapt to new environment in Web development, Software development and related fields in the industry.
